Minutes Of The Annual General Body Meeting (AGM) of The Economic Committee Andhra Pradesh Held on 18th June 2023 at the Exhibition Grounds.

Dr.B.Prabha Shankar, President of the Economic Committee welcomed the members to the General Body meeting. He extended his apologies for not being able to conduct the AGM on time because of various reasons as explained in the last EGM.

He said we lost many of our Economic Committee Members during the last three years. In the Exhibition Society we easily come to know whenever somebody departs but in the Economic Committee it is very difficult to know about the members departing as some of the family members do not know that he or she is a member of the Economic Committee. Another reason being the members are not informing the Economic Committee office regarding change of address whenever they move out to other areas. He said the following members of the Economic Committee passed away.

He requested the members to stand up and maintain two minutes silence in honour of the departed members.

He then requested Hon. Secretary, Economic Committee Sri.N.Surender to take-up the Agenda items for consideration. Secretary also welcomed the members and took up the agenda items as under.

1. To approve the minutes of the Annual General Body Meeting held on 31-03-2021. He said the minutes were already circulated. He said if there were any corrections to be made in the Minutes of the Meeting let us know. He

said he received a message from Sri. Veerender that by oversight we have missed one of his statements in the last AGM and he requested us to include the same in the AGM and the same will be entered in Page No.15 and para 3.

2. To approve the Minutes of Extra-ordinary General Body Meeting held on 18-04-2023. He said the President has mentioned that three members name were missing and the same would be included i.e., N.Surender, Aditya Margam and Hanumantha Rao for attending the meeting. An issue has come up whether everything a member speaks to be recorded. For example, if a person speaks for 20 minutes do we have to record verbatim. The President said we need to record only the relevant points and not every word spoken.

The President said generally 99% of the members are maintaining decorum in the meetings and we will try to achieve 100%. Please address the Chair for any point to be raised. He said if we miss anything please tell us so that we will again check-up the recording and then we will incorporate. Sri Papaiah Chakravarthy proposed approving the minutes of the General Body and Sri Hanumantha Rao seconded same.

3. To approve the report of the Economic Committee AP from 11-03-2021 i.e. in the last AGM to the 1st of June of 2023. The Chairman asked the members if they want the Secretary to read it completely as they have already been circulated in advance. The secretary report was approved as proposed by Sri Ashvin Margam and seconded by Sri Farooqui.
4. To approve the Audited Statement of Account for the years 2020-21, 2021-22 and 2022-23. The Chairman said the Auditors Report is from page number 38. Our new Auditors whom we have appointed i.e., M/s. Kumar & Giri and his team are here. If anybody has any clarifications to seek, they are welcome. The new Auditors have completely audited the accounts and because of the demise of Sri Venkat Rao the accounts were not complete, and the new Auditors helped in completing the accounts and they have also completed the entire Auditing. The accounts and the auditors report were approved as proposed by Sri Ashwin and Seconded by Sri Dilip Reddy.
5. Approve the Budget and Expenditure for the year 2023-24. Page No. 51. The budget was approved as proposed by Aditya Margam and Seconded by Sri Dhiraj Jaiswal. To a question why there has been no contribution from the Exhibition for the last two years, The chairman said due to covid pandemic no funds were allotted by the Exhibition.
6. Appoint the Auditors for the year 2023-24 and fix their remuneration.

The chairman said we have recently appointed M/s. Kumar & Giri and his team as Statutory Auditors, so let us continue with it. Of course, if anybody has got any reservations they can say. Whatever remuneration we are paying earlier, we will continue the same. The proposal was agreed.

7. Election to the Office Bearers. Chairman said the meeting is adjourned as we have to conduct elections, and we will resume the meeting after the elections. Members can have lunch and enjoy our hospitality and participate in Voting. Agenda is not completed and will continue. He said once you enter the Polling Area, please show your Identity Card like Aadhar, Pan or Driving Licence etc. either soft copy or hard copy. If nothing is available, we will come and identify the member so that he can vote. Nobody will go without voting, unless they come after 4:30 PM. Please do not go out. If anybody wants to do canvassing, they can do. We have also made separate entrance for elderly people above 70 years and also separate entrance for ladies. We will continue with the agenda items after elections. The election was held. Ballot Papers were read over. The following are the results: In the first bundle there were total 58 ballot papers out of which 48 ballots are valid and 2 are NOTA (Out of 386 Ballot Papers).

Since this Managing Committee has taken over 13 Managing Committee Meetings were held out of which ten were of Urgent Managing Committee Meetings. As can be seen from the Audited Statement of Accounts of Economic Committee we received a Grant of Rs. 10,00,000/- for the Financial Year 2023-2024 from Exhibition Society.

I am very happy to inform you that the Economic Committee Managing Committee organized a day long workshop on **“Conserving our Natural water and man-made water bodies for Ecological balance and Agricultural Sustainability in Telangana”** on 05th September 2023 at Gandhi Centenary Hall, Exhibition Grounds. We all know how important the water resources are. The Economic Committee Managing committee with the forethought had organized this Workshop on a large scale in which around 200 delegates participated in the workshop from 10 am to 4.30 pm. Apart from Economic Committee member the delegates also included interested students from our OGA and ES colleges. The program was successfully conducted. The workshop was organized into technical sessions including an inaugural session and the plenary session in which the recommendations were presented.

We are very happy that the entire proceedings of the workshop is being brought out as publications with the views shared by the eminent speakers and also contains the recommendations. These recommendations would be shared with the Government agencies and our colleges. It would be reference document on the subject.

All of us are aware of the importance of energy in our daily walks of life including the Nation. We import our energy requirements as crude oil and natural gas. This leads to huge foreign exchange burden on the exchequer.

Keeping this in view the Managing committee of Economic Committee organized a seminar on **“Recent Advances in the Renewable energy Sector (Solar, wind, Ethanol, Napier grass and Compressed Biogas (CBG): Towards reducing Oil dependency”** The seminar was conducted on 05th November 2023. There were around 200 participants. Again, as promised in our Manifesto we involved interested students from our college apart from our honourable Economic Committee members. Dr.GSC Rao Internationally Renowned Scientist/Entrepreneur

shared his knowledge and views. He is on various important National and International Committees on Alternate energy sources. **We are also planning to bring out a publication containing the proceedings of this seminar.**

As has been the tradition for the past few decades, the Economic Committee in collaboration with Exhibition Society and the Rajasthani Pragati Samaj had celebrated Ramayan Mela and Dandia Festival from 15th to 24th October 2023. The program was successfully conducted.

In response to a request from Sarojini Naidu Vanita Pharmacy College Tarnaka the Managing Committee sanction an amount of Rs.7.00 Lakhs to, towards the expenses for conducting an international workshop on the Indo-US Summit on Recent advances in Pharmacy.

The President of Economic Committee Dr. Gangadhar Rao gave a talk on **Exciting field of Blockchain Technology & Crypto Currencies** to the computer science students at the Sri Venkateshwara Engineering College Suryapet last year.

One of the objectives of the Economic Committee is to advise and assist the Exhibition Society in realizing its objectives. That is why three members of Economic Committee are nominated to be on the managing committee of the Exhibition society. In this connection the Economic Committee MC Members undertook a study tour to visit the International Exhibition being held in the Global Village in Dubai on 21st to 25th February 2024.

It was resolved in the Managing Committee Meeting to enrol Sri D. Sridhar Babu, Minister of IT of Telangana as a Member of Economic Committee. It was decided in the MC Meeting to nominate one Member each from the Economic Committee and one member each from the Exhibition Society to nominate to Economic Committee. A total of 32 members were enrolled in as new Economic Committee members.

I am grateful to our President, other Office Bearers and Managing Committee Members for their valuable advice, guidance and continuous support in conducting the Managing Committee Meetings and organizing various Events and Seminars. I would like to place on record, the support and cooperation of our sister organizations i.e. Exhibition Society and Osmania Graduates' Association. I thank M/s. Kumar & Giri., Chartered Accountants for the help rendered in auditing the Accounts. Last but not the least let me also thank all the Members of Economic Committee for their encouragement, Cooperation and support extended till date.

I once again thank all the members for their kind cooperation.

Thank you,

GV Ranga Reddy
Hon. Secretary
